The purchaser agrees to not hold Julie Lyon or Lyon Acres liable for any negative consequences that may occur due to the purchase of an animal from Julie Lyon/Lyon Acres. All animals are healthy to the best knowledge of Julie Lyon when sold. Once an animal leaves Lyon Acres it may not return for biosecurity purposes. All sales are final. A nonrefundable deposit is due immediately to reserve your lamb(s).

<u>2020 Base Prices:</u> Registered Ewe Lamb RR: \$800. Registered Ewe Lamb QR: \$750. Registered Ram Lamb RR: \$650. Wether Lamb QR/RR: \$425.*	Lambs will be individually priced. The prices above are the base prices. To reserve lambs, a nonrefundable deposit must be received. Lambs are not reserved until the deposit has been received. The deposit required for ewes and rams is \$200 per lamb, and \$100 per wether. The remaining balance is to be received either before the date of pick up via check with sufficient time for the check to clear (2 weeks), or in cash the day of the pick up. Checks will not be accepted the day of pick up. No exceptions. You may also pay via Paypal with additional fee added to cover the processing cost of 3%. If I am transporting the lamb to an agreed pickup point, the lambs must be paid in full 1 week prior to the agreed date or 2 weeks if paying by check. If the lamb(s) you request cannot be supplied, your deposit will be refunded to you.

Qualifying lambs will be registered with NABSSAR. Color does not alter price. Ram lambs will be selected first, before wethers, to ensure that the best genetic traits are passed onto future generations of Babydoll sheep.

All sheep must have another sheep to live with at all times. They are flock animals. Alone they will fail to thrive. Other species are not sufficient substitutes for a sheep companion. If you currently do not have sheep, you will need to purchase 2.

We reserve the right to not sell an animal to any individual at any time. We love our animals and want them to have good lives once they leave our farm. Additionally, as the breeders we will choose which lambs we want to retain before fulfilling requests on our waitlist.

Lambs have received 3 CD&T vaccinations & been dewormed at time of weaning or prior to leaving the farm.
